

**NEW MAXIMUM WAGES UNDER THE LABOUR  
REDUNDANCY, MOBILITY AND UNEMPLOYMENT  
COMPENSATION SCHEME**

Pursuant to Article 1, subsection 27, of Italian law n°. 247 of 24 December 2007, which enacts the Welfare Protocol, effective from 1<sup>st</sup> January 2008, the increase in the ceiling of wage, mobility and unemployment compensation benefits is established at 100% (vs. 80% up until 2007) of the increase deriving from the average annual variation in the ISTAT consumer price index.

Adjustments to the maximum wages to pay to employees entitled to wage, mobility and unemployment compensation for 2010, as communicated in Italian National Social Security Institute (INPS) circular n°. 18 of 5<sup>th</sup> february 2010, are as follows:

**ORDINARY AND EXTRAORDINARY SHORT-TIME ALLOWANCE (CASSA  
INTEGRAZIONI GUADAGNI ORDINARIA E STRAORDINARIA)**

This corresponds to 80% of the reference pay, including any monthly additional pay accrual (13<sup>th</sup> month pay, bonuses, etc), up to the following **ceilings**:

**1<sup>st</sup> ceiling**

Gross monthly pay **up to €1.931.86** ( 2009: €1.917.48)

	<b>2010</b>	2009
Gross monthly allowance	<b>€892.96</b>	€886.31
Monthly allowance net of social contributions (5.84%)	<b>€840.81</b>	€834.55

**2<sup>nd</sup> ceiling**

Gross monthly pay **over €1.931.86** (2009: €1.917,48)

	<b>2010</b>	2009
Gross monthly allowance	<b>€1073.25</b>	€1065.26
Monthly allowance net of social contributions (5.84%)	<b>€1010.57</b>	€1003.05

**MOBILITY ALLOWANCE**

**1<sup>st</sup> ceiling**

For the first **12 months** this corresponds to 80% of the reference pay, including any monthly additional pay accrual (13<sup>th</sup> month pay, bonuses, etc), up to the following **ceilings**:

	<b>2010</b>	2009
Gross monthly allowance	<b>€892.96</b>	€886.31
Monthly allowance net of social contributions (5.84%)	<b>€840.81</b>	€834.55

**2<sup>nd</sup> ceiling**

Gross monthly **pay over €1931.86** (2009: €1917.48)

	<b>2010</b>	2009
Gross monthly allowance	<b>€1073.25</b>	€1065.26
Monthly allowance net of social contributions (5.84%)	<b>€1010.57</b>	€1003.05

From the 13<sup>th</sup> month, the mobility allowance is reduced by **20%** but the **5.84%** social security tax withheld is no longer applied. The allowance payable therefore corresponds to **80% of the gross monthly allowance**, specified as the ceilings contained in the above tables.

Note that the ceiling taken as a reference for paying the mobility allowance in subsequent years is that **effective on the date of firing**. It is therefore not subject to subsequent annual adjustments in accordance with the ISTAT variation index (as is the case with redundancy), when the worker is entitled to ordinary or extended mobility compensation.

## UNEMPLOYMENT ALLOWANCE

Article 1, subsection 25, of Italian law n°. 247 of 24<sup>th</sup> December 2007 also increases the maximum payable period for ordinary unemployment compensation benefits with normal requirements (see article 19, first subsection, of Royal Decree Law no. 636 of 14<sup>th</sup> April 1939) **to eight months** for subjects **below the age of 50 years** and **twelve months** for subjects aged **50 years or over**. Moreover, for subjects who have been suspended and are not entitled to unemployment compensation, article 1, subsection 84, of law no. 247 of 24<sup>th</sup> December 2007 states that the ordinary unemployment allowance for 2008 shall be paid for **up to 65 days**, as already envisaged by decree law no. 35 of 2005.

This means that as from **1<sup>st</sup> January 2008**, unemployed workers of **below the age of 50** will be entitled to unemployment allowance for up to **8 months**, of which the first **6 months** payable at **60%** and the following **2** at **50%** of the average reference pay, including the monthly additional pay accrual (13<sup>th</sup> month, bonus, etc). Unemployed workers aged **50 or less** will be entitled to an unemployment allowance for a maximum of **12 months**, of which the first **6 months** payable at **60%**, the following **2** at **50%** and the remaining **4** at **40%** of the average reference pay, including any monthly additional pay accrual (13<sup>th</sup> month, bonus, etc), up to the following **ceilings**:
